VOTING EXCLUSION STATEMENT

In accordance with section 250R of the Corporations Act, a vote on Resolution 5 must not be cast (in any capacity) by, or on behalf of, the following persons:

- (a) a member of the key management personnel (**KMP**) whose remuneration details are included in the Company's Remuneration Report for the financial year ended 30 June 2022; or
- (b) a closely related party of such members of the KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 5 as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the proxy appointment is in writing and specifies the way the proxy is to vote (eg. for, against, abstain) on the resolution; or
- (b) the vote is cast by the Chairman of the Meeting and the appointment of the Chairman as proxy;
- (c) does not specify the way the proxy is to vote on the resolution; and
- (d) expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

For the purpose of the voting exclusion above, "key management personnel" and "closely related party" have the same meaning as set out in the Corporations Act.

ENTITLEMENT TO ATTEND AND VOTE

In accordance with regulation 7.11.37 of the *Corporations Regulations 2001 (Cth)*, the Board has determined that persons who are registered holders of shares of the Company as at 7.00pm (Sydney time) on Tuesday, 15 November 2022 will be entitled to attend and vote at the AGM as a shareholder.

If more than one joint holder of shares is present at the AGM (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first in the Company's share register will be counted.

Appointment of Proxy

If you are a shareholder entitled to attend and vote at the AGM, you may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the AGM.

A proxy need not be a shareholder of the Company.

A shareholder may appoint up to two proxies to attend and vote at the AGM on that shareholder's behalf and the appointment may specify the proportion or number of votes each proxy may exercise at the AGM. If the shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the shareholder's votes.

A proxy may vote or abstain as he or she chooses except where the appointment of the proxy directs the way the proxy is to vote on a particular resolution.

To be effective, the Proxy Form (and, if the appointment is signed or authenticated by the shareholder's attorney or representative, the original or a certified copy of the authority or power of attorney under which it was signed or authenticated) must be received at **hummgroup's** share registry no later than 12.00pm (Sydney time) on Tuesday, 15 November 2022 (being 48 hours before the AGM).

Proxies (and the original or certified copy of any authority or power of attorney under which the proxy was signed or authenticated) must be received before that time by one of the following methods:

IMPORTANT: If you appoint the Chairman of the Meeting as your proxy, or the Chairman becomes your proxy by default, and you do not direct your proxy how to vote on Resolution 5, then by submitting the Proxy Form you will be expressly authorising the Chairman to exercise your proxy on the relevant resolution, even though the Resolution is connected, directly or indirectly, with the remuneration of the KMP.

ALL RESOLUTIONS BY POLL

In accordance with the Corporations Act and pursuant to Article 9.15 of the Company's Constitution, the Chairman will call a poll for each of the Resolutions proposed at the AGM.

To vote at the physical meeting, you will need to complete your voting card.

Shareholders who prefer to register questions in advance of the AGM are invited to do so. Please log on to <https://investorcentre.linkgroup.com/Login/> and select "Voting" and then click "Ask a Question" or otherwise email any questions to the Company Secretary (company.secretary@hummgroup.com). To allow time to collate questions and prepare answers, please submit any questions by 12.00pm (Sydney time) on Thursday, 10 November 2022.

The Chairman will endeavour to address as many of the questions as possible during the course of the AGM including questions received in advance by email or online. However, there may not be sufficient time available during the AGM to address all of the questions raised. Please note individual responses will not be sent to Shareholders.

Explanatory Memorandum

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's AGM to be held on Thursday, 17 November 2022.

The purpose of the Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1,2,3,4 and 6 are ordinary resolutions, which require a simple majority of votes cast by Shareholders present and entitled to vote on the resolutions.

Resolution 5, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 7 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the resolution must be in favour of the resolution.

Resolution 1: Re-election of Mr Stuart Grimshaw as a director

Mr Grimshaw is an independent non-executive director of the Company who was appointed as a Director in June 2022. Mr Grimshaw brings many years of experience in the banking and financial services industry, including as CEO of Bank of Queensland. He is currently a director of Bionic Vision Technologies Pty Ltd, Millennium Services Group Ltd (ASX: MIL), Jungle Capital Pty Ltd and BidFin Pty Ltd.

Prior to submitting himself for re-election, Mr Grimshaw has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports Mr Grimshaw's re-election as a non-executive director as Mr Grimshaw provides a valuable contribution to the Board and Company, specifically in relation to banking and financial services. Mr Grimshaw is therefore recommended to Shareholders for re-election.

The Board considered whether Mr Grimshaw has any interest, position or relationship that may interfere with his independence as a director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Mr Grimshaw (if re-elected), will continue to be an independent non-executive director.

Directors' Recommendation:

On the basis of Mr Grimshaw's skills, qualifications and experience in the banking and financial services industry, and his contribution to the Board's activities, the Directors in the absence of Mr Grimshaw unanimously support the re-election of Mr Grimshaw as a Director (with Mr Grimshaw abstaining from providing a recommendation).

Resolution 2: Re-election of Ms Teresa Fleming as a director

Ms Fleming is an independent non-executive director of the Company who was appointed as a Director in June 2022. Ms Fleming currently chairs the Company's Irish business and brings with her extensive experience on the boards of a number of international and Irish corporates in a diverse range of industries including financial services, publicly quoted companies and the State sector. Ms Fleming's background is as a corporate taxation consultant with PwC Ireland.

Prior to submitting herself for re-election, Ms Fleming has confirmed that she would continue to have sufficient time to properly fulfil her duties and responsibilities to the Company.

The Board supports Ms Fleming's re-election as a non-executive director as Ms Fleming provides a valuable contribution to the Board and Company, specifically in relation to corporate tax and financial services industry experience and therefore is recommended to Shareholders for re-election.

The Board considered whether Ms Fleming has any interest, position or relationship that may interfere with her independence as a director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Ms Fleming (if re-elected), will continue to be an independent non-executive director.

Directors' Recommendation:

On the basis of Ms Fleming's skills, qualifications and experience in the areas of law, compliance and financial services and her contribution to the Board's activities, the Directors in the absence of Ms Fleming unanimously support the re-election of Ms Fleming as a Director (with Ms Fleming abstaining from providing a recommendation).

Resolution 3: Re-election of Mr Anthony Thomson as a director

Mr Thomson is an independent non-executive director of the Company and was appointed to the Board in September 2022. Mr Thomson has a deep and extensive background in financial services in both Australia and the United Kingdom, most notably as Co-Founder and Chairman of neo bank 86 400 which was acquired by National Australia Bank (ASX: NAB) in 2021. Prior to this role, he was also Founder and Chairman of two banks in the United Kingdom. In 2008 he launched Metro Bank, the first new High Street Bank in the UK for over 150 years, stepping down from this role in 2012. Following this, Mr Thomson founded and chaired Europe's first mobile-only bank, Atom Bank PLC, which has now grown into an AU\$1bn company.

Mr Thomson is an independent non-executive director of Wio, a digital bank based in the UAE, and an advisory board member of Bank ABC, based in Bahrain. He is the former Chairman of Zip Co's UK business.

Prior to submitting himself for re-election, Mr Thomson has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports Mr Thomson's re-election as a non-executive director as Mr Thomson provides a valuable contribution to the Board and Company, specifically in relation to banking and financial services industry and is therefore recommended to Shareholders for re-election.

The Board considered whether Mr Thomson has any interest, position or relationship that may interfere with his independence as a director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Mr Thomson (if re-elected), will continue to be an independent non-executive director.

Directors' Recommendation:

On the basis of Mr Thomson's skills, qualifications and experience in the areas of banking and financial services industry, and his contribution to the Board's activities, the Directors in the absence of Mr Thomson unanimously support the re-election of Mr Thomson as a Director (with Mr Thomson abstaining from providing a recommendation).

Resolution 4: Re-election of Mr Robert Hines as a director

Mr Hines is an independent non-executive director of the Company and was appointed to the Board in September 2022. Mr Hines brings over 35 years' experience in banking, finance and funds management services, agriculture and energy sectors with senior executive roles focusing on finance, retail and operations. Mr Hines is a non-executive director of Cash Converters International (ASX: CCV) and Mackay Sugar Limited.

Prior to submitting himself for re-election, Mr Hines has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports Mr Hines' re-election as a non-executive director as Mr Hines provides a valuable contribution to the Board and Company, specifically in relation to banking and financial services and is therefore recommended to Shareholders for re-election.

The Board considered whether Mr Hines has any interest, position or relationship that may interfere with his independence as a director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Mr Hines (if re-elected), will continue to be an independent non-executive director.

Directors' Recommendation:

On the basis of Mr Hines' skills, qualifications and experience in the areas of banking and financial services industry, and his contribution to the Board's activities, the Directors in the absence of Mr Hines unanimously support the re-election of Mr Hines as a Director (with Mr Hines abstaining from providing a recommendation).

Resolution 5: Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of Directors and key management personnel (**KMP**) of the Company (**Remuneration Report**) be put to the vote of Shareholders for adoption by way of a non-binding vote.

Broadly, the Remuneration Report sets out the remuneration principles and policy for the Company as well as, amongst other things:

- (a) executive remuneration structure;
- (b) the relationship between executive remuneration and Company performance;
- (c) terms of KMP remuneration;
- (d) FY23 remuneration structure changes;
- (e) non-executive director remuneration policy and structure; and
- (f) details of performance rights and options.

Shareholders can view the full Remuneration Report in the Annual Report which is available on **hummgroup's** website at <https://investors.humm-group.com/Investor-Centre/?page=annual-reports>.

Following consideration of the Remuneration Report, the Chairman of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to a vote. The vote on this Resolution 5 is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Directors' Recommendation:

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Directors abstain from providing a recommendation in relation to Resolution 5.

Resolution 6: Appointment of Auditor

On 31 December 2021, in accordance with section 327C of the Corporations Act, the Company appointed Ernst & Young (**EY**) as auditor of the Company following the Australian Securities and Investments Commission's consent to the resignation of the previous auditor of the Company, PricewaterhouseCoopers (**PwC**), in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, EY holds office as auditor of the Company until the Company's next Annual General Meeting, being the meeting the subject of this Notice of Meeting.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of EY as auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act, notice in writing nominating EY as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice of Meeting as **Annexure A**.

The appointment of EY will be by vote of Shareholders as an ordinary resolution. EY has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

Directors' Recommendation:

The Board recommends that Shareholders vote in favour of this Resolution.

Resolution 7: Renewal of Proportional Takeover Provisions

Resolution 7 relates to a refresh of an existing provision of the Company's Constitution.

Articles 6.9 - 6.13 (inclusive) of the Constitution (an extract of which is included at **Annexure B**) provide that the Company must not register a transfer of shares, which would give effect to a contract, resulting from the acceptance of an offer made under a proportional takeover bid unless Shareholders, in a general meeting, approve the offer.

Under the Corporations Act and Article 6.14 of the Constitution, Articles 6.9 - 6.13 (inclusive) cease to have effect at the end of three years from when they were adopted or on the date that they were last renewed.

The proposed resolution seeks to reinstate the provisions of Articles 6.9 - 6.13 (inclusive) of the Constitution for three years from the date of approval of the proposed resolution.

The Directors consider that it is in the interests of Shareholders for the Company to include a proportional takeover rule and approval is therefore being sought to renew Articles 6.9 - 6.13 (inclusive) of the Constitution.

What is a proportional takeover bid?

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company.

Why are the proportional takeover approval provisions required?

A proportional takeover bid means that control of a company may pass without shareholders having the chance to sell all of their shares to the bidder. In addition, this means the bidder may take control of a company without paying an adequate amount for gaining control.

In order to deal with this possibility, the Corporations Act permits a company, in certain circumstances to provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote at a general meeting on whether to accept or reject the offer.

The majority decision of shareholders present and voting at the meeting will be binding on all shareholders.

The benefit of the provision is that shareholders are able to decide collectively whether the proportional offer is acceptable in principle, and it may ensure that any partial offer is appropriately priced.

If the offer does proceed, individual shareholders can then make a separate decision as to whether they wish to accept the bid for their shares.

What is the effect of the proportional takeover approval provisions?

If a proportional takeover bid is made, the Directors must ensure a shareholder vote on a resolution to approve the bid at least 14 days before the last day of the bid period. The vote is decided on a simple majority.

Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities, is entitled to vote, but the bidder and its associates are not allowed to vote (and if they do vote, their votes must not be counted).

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. Any contracts formed by acceptances will be rescinded. If the bid is approved (or taken to have been approved), the transfers must be registered provided they comply with the Corporations Act and the Company's Constitution.

If the resolution is not voted on before the 14-day deadline specified in the Corporations Act, the bid will be taken to have been approved.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for 3 years from that date of their renewal pursuant to Resolution 7. The provisions may again be renewed by a special resolution of shareholders.

No present acquisition proposals

At the date this Notice of Meeting was prepared, no Director is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages

While the renewal of Articles 6.9 – 6.13 (inclusive) will allow the Board to ascertain shareholders' views on a proportional takeover bid, the Directors consider that the proportional takeover approval provisions have no potential advantages or disadvantages for them. They remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover approval provisions for shareholders include:

- (g) the provisions give all shareholders (other than the offeror and its associates) an opportunity to study the terms of a proportional takeover proposal to determine whether it is in their best interests that it proceed and, on that basis, enables shareholders to decide whether or not to accept the offer;
- (h) the provisions may discourage the making of a proportional takeover bid which may be considered to be opportunistic and may prevent control of the Company passing without the payment of an appropriate control premium;
- (i) the provisions may assist shareholders in not being locked into a minority interest in the Company;
- (j) the provisions may increase shareholders' bargaining power and may assist in ensuring that any future proportional takeover offer is structured so as to be attractive to a majority of independent shareholders; and
- (k) knowing the view of the majority of shareholders may assist each individual shareholder in assessing the likely outcome of the proportional takeover scheme bid and whether to approve or reject that bid.

The potential disadvantages for shareholders include:

- (a) proportional takeover bids for shares in the Company may be discouraged and may reduce any speculative element in the market price of the Company's shares arising from a takeover offer being made;
- (b) shareholders may lose an opportunity of selling some of their shares at a premium;
- (c) the chance of a proportional takeover bid being successful may be reduced due to the delay, cost and uncertainty in convening a General Meeting; and
- (d) the renewal of Articles 6.9 - 6.13 (inclusive) may also be considered an additional restriction on the ability of shareholders to deal freely with their shares.

Directors' Recommendation:

The Board considers that the potential advantages for Shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, Shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

ANNEXURE B

EXTRACT FROM HUMM GROUP LIMITED'S CONSTITUTION

6.9. Resolution required for proportional takeover provisions

Despite articles 6.1, 6.2 and 6.3, if offers are made under a proportional takeover bid for securities of the Company in accordance with the Corporations Act:

- (a) articles 6.9 to 6.13 apply;
- (b) the registration of a transfer giving effect to a takeover contract resulting from acceptance of an offer made under the takeover bid is prohibited unless and until a resolution (an "approving resolution") to approve the bid is passed or taken to be passed in accordance with article 6.12 or article 6.13; and
- (c) the Directors must ensure that an approving resolution is voted on in accordance with articles 6.10 to 6.11 before the fourteenth day before the last day of the bid period.

6.10 Procedure for resolution

The Directors may determine whether the approving resolution is voted on:

- (a) at a meeting of persons entitled to vote on the resolution convened and conducted, subject to the provisions of article 6.11, as if it were a general meeting of the Company convened and conducted in accordance with this Constitution and the Corporations Act with such modifications as the Directors determine the circumstances require; or
- (b) by means of a postal ballot conducted in accordance with the following procedure:
 - (i) a notice of postal ballot and ballot paper must be sent to all persons entitled to vote on the resolution not less than 14 days before the date specified in the notice for closing of the postal ballot, or such lesser period as the Directors determine the circumstances require;
 - (ii) the non-receipt of a notice of postal ballot or ballot paper by, or the accidental omission to give a notice of postal ballot or ballot paper to, a person entitled to receive them does not invalidate the postal ballot or any resolution passed under the postal ballot;
 - (iii) the notice of postal ballot must contain the text of the resolution and the date for closing of the ballot and may contain any other information the Directors consider appropriate;
 - (iv) each ballot paper must specify the name of the person entitled to vote;
 - (v) a postal ballot is only valid if the ballot paper is duly completed and:
 - (A) if the person entitled to vote is an individual, signed by the individual or a duly authorised attorney; or
 - (B) if the person entitled to vote is a corporation, executed under seal or as permitted by the Corporations Act or under the hand of a duly authorised officer or duly authorised attorney;

- (vi) a postal ballot is only valid if the ballot paper and the power of attorney or other authority, if any, under which the ballot paper is signed or a copy of that power or authority certified as a true copy by statutory declaration is or are received by the Company before close of business on the date specified in the notice of postal ballot for closing of the postal ballot at the Registered Office or share registry of the Company or at such other place as is specified for that purpose in the notice of postal ballot; and
- (vii) a person may revoke a postal ballot vote by notice in writing which to be effective must be received by the Company before the close of business on the date for closing of the postal ballot.

6.11 Persons entitled to vote

The only persons entitled to vote on the approving resolution are those persons who, as at the end of the day on which the first offer under the bid was made, held bid class securities. Each person who is entitled to vote is entitled to one vote for each bid class security held by that person at that time. Neither the bidder nor any associate of the bidder is entitled to vote on the resolution.

6.12 Resolution passed or rejected

If the resolution is voted on in accordance with articles 6.9 to 6.11 then it is to be taken to have been passed if the proportion that the number of votes in favour of the resolution bears to the total number of votes on the resolution is greater than one-half, and otherwise is to be taken to have been rejected.

6.13 Resolution taken as passed
